### REGULATION OF MENTAL HEALTH PROFESSIONALS IN COLORADO:

1. Meredith Bizer, LPCC at Meredith Bizer Counseling, LLC is located in Avon, CO 81620 and solely seeing clients who reside in Colorado via Telehealth at this time; Phone: 970-306-6507. Meredith earned a Bachelor of Science degree in Biology from the University of Denver in 2004; a Master Business Administration from the University of Denver in 2004; and a Masters of Arts in Counseling from Regis University in 2019. Meredith is a Licensed Professional Counselor Candidate, Colorado License # 0017351.

Meredith's counseling style is humanistic/integrative. As such, she is interested in family of origin information and issues. In addition, she works with experiential techniques which bring these past issues into the present. Meredith has taken coursework and ongoing education in Marital and Family Counseling and uses the Relational Life Model for couple's counseling. Please ask her any questions regarding her theoretical orientation. She will explain techniques and rationale as they are used in therapy.

MEREDITH BIZER, LPCC has a supervisor, Elodie "Dee" Marcotte, LPC, CSAT, ACS, CAAP ("Dee") is located at 3035 W. 25th Avenue; Denver, CO 8021; Phone: 363-829-6422.; Licensed Professional Counselor, Colorado License # 0002074. This type of supervision is required for full licensure and helps maintain a high level of clinical competence.

2. Everyone twelve (12) years and older must sign this disclosure statement. A parent or legal guardian with the authority to consent to mental health services for a minor child/ren in their custody must sign this disclosure statement on behalf of their minor child under the age of twelve (12) years old. A parent or legal guardian with the authority to consent to mental health services for a minor child/ren in their custody

must also sign this disclosure statement on behalf of their minor child over the age of twelve (12) but under the age of fifteen (15) years old, unless said minor is voluntarily seeking psychotherapeutic services for themselves without their parent's or legal guardian's knowledge or consent. In this case, the minor who is between the age of twelve (12) and fourteen (14) years old, in addition to this disclosure statement, shall also sign a Voluntary Consent for Psychotherapeutic Services form.

The mental health professional providing services to a minor between the age of twelve (12) and fourteen (14) may advise the minor's parent or legal guardian of services provided with the consent of the minor or a court in specific circumstances, unless notifying the parent or legal guardian would be inappropriate or detrimental to the minor's care and treatment. The mental health professional may notify the parent or legal guardian, without the minor's consent, if in their professional opinion the minor is unable to manage their own care or treatment, or if the minor expresses any suicidal ideation.

In divorce or custody situations and because of the Colorado Department of Regulatory Agencies view on parental consent, it is Meredith's policy to seek the consent of both parents/legal guardians, however this consent does not supersede any court order outlining parental decision-making and custodial rights. This policy is irrespective of any court determination and this is the governing policy unless the child's health, safety, and welfare could be at risk. If this is the case, you must inform the Meredith so that appropriate action for the protection and welfare of the child may be taken. This disclosure statement contains the policies and procedures of Meredith and is HIPAA compliant. No medical or psychotherapeutic information, or any other information related to your privacy, will be revealed without your permission unless mandated by Colorado law and Federal regulations (42 C.F.R. Part 2 and Title 25, Article 4, Part 14 and Title 25, Article 1, Part 1, CRS and the Health Insurance Portability and Accountability Act (HIPAA), 45 C.F.R. Parts 142, 160, 162 and 164).

3. The Colorado Department of Regulatory Agencies ("DORA"), Division of Professions and Occupations ("DOPO") has the general responsibility of regulating the practice of Licensed Psychologists, Licensed Social Workers, Licensed Professional Counselors, Licensed Marriage and Family Therapists, Certified and Licensed Addiction Counselors, and registered individuals who practice psychotherapy. The agency within DORA that specifically has responsibility is the Mental Health Section, 1560 Broadway, Suite #1350, Denver, CO 80202, (303) 894-2291 or (303) 894-7800; DORA\_MentalHealthBoard@state.co.us. The State Board of Licensed Professional Counselor Examiners regulates Licensed Professional Counselors, and can be reached at the address listed above. Clients are encouraged, but not required, to resolve any grievances through Meredith's internal process.

4. You, as a client, may revoke your consent to treatment or the release or disclosure of confidential information at any time in writing and given to your therapist.

5. Levels of Psychotherapy Regulation in Colorado include licensing (requires minimum education, experience, and examination qualifications), Certification (requires minimum

training, experience, and for certain levels, examination qualifications), and Registered Psychotherapist (does not require minimum education, experience, or examination qualifications.) All levels of regulation require passing a jurisprudence take-home examination.

Certified Addiction Counselor I (CAC I) must be a high school graduate, complete required training hours and 1,000 hours of supervised experience. Certified Addiction Counselor II (CAC II) must complete additional required training hours and 2,000 hours of supervised experience. Certified Addiction Counselor III (CAC III) must have a bachelor's degree in behavioral health, complete additional required training hours and 2,000 hours of supervised experience. Licensed Addiction Counselor must have a clinical master's degree and meet the CAC III requirements. Licensed Social Worker must hold a masters degree in social work. Psychologist Candidate, a Marriage and Family Therapist Candidate, and a Licensed Professional Counselor Candidate must hold the necessary licensing degree and be in the process of completing the required supervision for licensure. Licensed Clinical Social Worker, a Licensed Marriage and Family Therapist, and a Licensed Professional Counselor must hold a masters degree in their profession and have two years of post-masters supervision. A Licensed Psychologist must hold a doctorate degree in psychology and have one year of post-doctoral supervision. Registered Psychotherapist is a psychotherapist listed in Colorado's database and is authorized by law to practice psychotherapy in Colorado but is not licensed by the state and is not required to satisfy any standardized educational or testing requirements to obtain a registration from the state. Registered psychotherapists are required to take the jurisprudence exam.

6. Participation in therapy can result in a number of benefits to you, including improving interpersonal relationships and resolution of the specific concerns that led you to seek therapy. Working toward these benefits; however, requires effort on your part. Psychotherapy requires your very active involvement, honesty, and openness in order to change your thoughts, feelings and/or behavior. Meredith will ask for your feedback and views on your therapy, its progress, and other aspects of the therapy and will expect you to respond openly and honestly. Sometimes more than one approach can be helpful in dealing with a certain situation. During evaluation or therapy, remembering or talking about unpleasant events, feelings, or thoughts can result in your experiencing considerable discomfort or strong feelings of anger, sadness, worry, fear, etc. or experiencing anxiety, depression, insomnia, etc. Meredith may challenge some of your assumptions or perceptions or propose different ways of looking at, thinking about, or handling situations that can cause you to feel very upset, angry, depressed, challenged, or disappointed. Attempting to resolve issues that brought you to therapy in the first place, such as personal or interpersonal relationships, may result in changes that were not originally intended. Psychotherapy may result in decisions about changing behaviors, employment, substance use, schooling, housing, or relationships. Sometimes a decision that is positive for one family member is viewed quite negatively by another family member. Change will sometimes be easy and swift, but more often it will be slow and even frustrating. There is no guarantee that psychotherapy will yield positive or intended results. During the course of therapy, Meredith is likely to draw on

various psychological approaches according, in part, to the problem that is being treated and his/her assessment of what will best benefit you. These approaches include behavioral, cognitive-behavioral, psychodynamic, existential, system/family, developmental (adult, child, family), or psycho- educational.

#### CLIENT RIGHTS AND IMPORTANT INFORMATION:

As a client you are entitled to receive information from me about my methods of therapy, the techniques I use, the duration of your therapy, if I can determine it, and my fee structure. Please ask if you would like to receive this information.

#### Fees:

1. My fee structure, services, and fee policy provided are outlined as follows:

\$85.00 per 50-minute clinical hour for Individual Sessions \$170.00 per 100 minutes for Couples Sessions

Phone calls of more than a 10 minute duration and a pattern of frequent phone calls will be charged on a prorated basis. A pattern of consistent emails or text messages will be charged on a prorated basis depending on the amount of time needed to answer your concerns and questions. Each 10-minute increment will be billed at a prorated rate of \$120 per hour, or \$20/10-minutes.

Special Services including; but not limited to: time involved in discussing your case, letters or summaries related to your therapy, and filling out any reports for insurance documentation are billed at a pro-rated amount based on fifteen (15) minute increments at the rate of \$150.00 per hour.

It is the policy of my practice to collect all fees at the time of service, unless you make arrangements for payment and we both agree to such an arrangement. All accounts that are not paid within thirty (30) days from the date of service shall be considered past due. If your account is past due, please be advised that I may be obligated to turn past due accounts over to a collection agency or seek collection with a civil court action. By signing below, you agree that I may seek payment for your unpaid bill(s) with the assistance of a collections agency. Should this occur, I will provide the collection agency or Court with your Name, Address, Phone Number, and any other directory information, including dates of service or any other information requested by the collection agency or Court deemed necessary to collect the past due account. I will not disclose more information than necessary to collect the past due account. I will notify you of my intention to turn your account over to a collection agency or the Court by sending such notice to your last known address.

Therapy fees and treatment are based on a 50 minute clinical hour instead of a 60 minute clock hour so that I may review my notes and assessments on your behalf.

I am not a Medicaid provider. If you have Medicaid coverage that includes mental health services, I am not able to offer mental health services to you.

Legal Services incurred on your behalf are charged at a higher rate including but not limited to: attorney fees I may incur in preparing for or complying with the requested legal services, testimony related matters like case research, report writing, travel, depositions, actual testimony, cross examination time, and courtroom waiting time. The higher fee is \$450.00 per hour.

#### Restrictions on Uses:

2. You are entitled to request restrictions on certain uses and disclosures of protected health information as provided by 45 CFR 164.522(a), however Meredith is not required to agree to a restriction request. Please review Meredith's Notice of Privacy Policies for more information.

#### Second Opinion and Termination:

3. You are entitled to seek a second opinion from another therapist or terminate therapy at any time.

a. During our first meeting, we will assess if I can be of benefit to you. I do not accept clients who, in my opinion, I cannot be of benefit to. In such a case, I will give you at least three (3) referrals that you can contact.

b. If at any point our therapeutic relationship is not effective in helping you reach your therapeutic goals, I am obliged to discuss it with you and, if appropriate, to terminate treatment. In such a case, I would give you at least three (3) referrals that may be of help to you. If you request it and authorize it in writing, I will talk to the psychotherapist of your choice in order to help with the transition. If at any time you want another professional's opinion or wish to consult with another therapist, I will assist you in finding someone qualified, and, if I have your written consent, will provide him/her with the essential information needed.

#### Sexual Intimacy:

4. In a professional relationship (such as psychotherapy), sexual intimacy between a psychotherapist and a client is never appropriate. If sexual intimacy occurs it should be reported to DORA at (303) 894-2291, Mental Health Section, 1560 Broadway, Suite 1350, Denver, Colorado 80202; State Board of Licensed Professional Counselor Examiners.

#### Confidentiality:

5. Generally speaking, the information provided by and to a client during therapy sessions is legally confidential if the psychotherapist is a Licensed Psychologists, Licensed Social Workers, Licensed Professional Counselors, Licensed Marriage and Family Therapists, Certified and Licensed Addiction Counselors, or a Registered Psychotherapist. If the information is legally confidential, the psychotherapist cannot be forced to disclose the information without the client's consent or in any court of competent jurisdiction in the State of Colorado without the consent of the person to whom the testimony sought relates.

6. There are exceptions to this general rule of legal confidentiality. These exceptions are listed in the Colorado statutes, C.R.S. §12-43-218. You should be aware that provisions concerning disclosure of confidential communications shall not apply to any

delinquency or criminal proceedings, except as provided in C.R.S § 13-90-107. There are additional exceptions that I will identify to you as the situations arise during treatment or in our professional relationship. For example, I am required to report child abuse or neglect situations; I am required to report the abuse or exploitation of an at-risk elder or the imminent risk of abuse or exploitation; if I determine that you are a danger to yourself or others, including those identifiable by their association with a specific location or entity, I am required to disclose such information to the appropriate authorities or to warn the party, location, or entity you have threatened; if you become gravely disabled, I am required to report this to the appropriate authorities. I may also disclose confidential information in the course of supervision or consultation in accordance with my policies and procedures, in the investigation of a complaint or civil suit filed against me, or if I am ordered by a court of competent jurisdiction to disclose such information. You should also be aware that if you should communicate any information involving a threat to yourself or to others, I may be required to take immediate action to protect you or others from harm. In addition, there may be other exceptions to confidentiality as provided by HIPAA regulations and other Federal and/or Colorado laws and regulations that may apply.

Additionally, although confidentiality extends to communications by text, email, telephone, and/or other electronic means, I cannot guarantee that those communications will be kept confidential and/or that a third-party may not access our communications. Even though I may utilize state of the art encryption methods, firewalls, and back-up systems to help secure our communication, there is a risk that our electronic or telephone communications may be compromised, unsecured, and/or accessed by a third-party.

“No Secrets” Policy in Couples work:

7. When treating a couple or a family, the couple or family is considered to be the client. At times, it may be necessary to have a private session with an individual member of that couple or family. There may also be times when an individual member of the couple or family chooses to share information in a different manner that does not include other members of the couple or family (i.e on a telephone call, via email, text message or via private conversation). In general, what is said in these individual conversations is considered confidential and will not be disclosed to any third party unless your therapist is required to do so by law. However, in the event that you disclose information that is directly related to the treatment of the couple or family it may be necessary to share that information with the other members of the couple or the family in order to facilitate the therapeutic process. Your therapist will use his/her best judgment as to whether, when, and to what extent such disclosures will be made. If appropriate, your therapist will first give the individual the opportunity to make the disclosure him or herself. This “no secrets” policy is intended to allow your therapist to continue to treat the couple or family by preventing, to the extent possible, a conflict of interest to arise where an individual’s interests may not be consistent with the interests of the couple or the family being treated. If you feel it necessary to talk about matters that you do not wish to have disclosed, you should consult with a separate therapist who can treat you individually.

“No Secrets” in Custody Circumstances Policy:

8. When treating a Client who is a Minor under the age of fifteen (15) and where there exists a custody arrangement between the parents or legal guardians (such as a divorce or separation), it is my policy to communicate with both parents/guardians via email (i.e. all communication will “cc” both parties). This policy is necessary to maintain transparency and professionalism, and to ensure the well-being of the therapeutic relationship with the Minor Client. This policy does not supersede any court order outlining decision-making or custodial rights but is or may be required by DORA. Further, I reserve the right, in my sole discretion, to engage in any individual email communication or face-to-face interaction in the lobby/waiting area. In the event that such an interaction occurs, I will notify the other party of said interaction and summarize the contents of the conversation, unless prohibited by professional rules or regulations regarding the protection of the health, safety, and welfare of the child/ren.

This policy will also be extended to clients who are over the age of twelve (12) but under the age of fifteen (15) when and if their parents or legal guardians are notified of their receiving psychotherapeutic services.

Extraordinary Events:

9. In the case that I become disabled, die, or am away on an extended leave of absence (hereinafter “extraordinary event,”) the following Mental Health Professional Designee will have access to my client files. If I am unable to contact you prior to the extraordinary event occurring, the Mental Health Professional Designee will contact you. Please let me know if you are not comfortable with the below listed Mental Health Professional Designee and we will discuss possible alternatives at this time.

Electronic Records:

11. Meredith may keep and store client information electronically on her laptop or desktop computers, and/or some mobile devices. In order to maintain security and protect the record, Meredith may employ the use of firewalls, antivirus software, changing passwords regularly, and encryption methods to protect computers and/or mobile devices from unauthorized access. Meredith may also remotely wipe out data on mobile devices if the mobile device is lost, stolen, or damaged.

Meredith may also use electronic backup systems either by using external hard drives, thumb drives, or similar methods, this includes the email service provider Meredith uses. The email service provider Meredith uses is Gmail. This helps prevent the loss or damage of electronically stored information. Meredith may maintain the security of the electronically stored information through encryption and passwords. It may be necessary for other individuals to have access to the electronically stored information, such as email service provider's workforce members, in order to maintain the system itself. Federal law protecting the electronically stored information extends to these workforce members. If you have any questions about the security measures Meredith employs, please ask.

#### Availability and Response Policy:

12. My normal business hours are from Monday to Friday, 9:00am - 6:00pm. However, as a therapist, the majority of my business hours are devoted to seeing my clients in therapy, which means I am not always available for immediate contact via phone, text, or email. This is especially true for emergencies, as I am not equipped to respond immediately.

The best way to contact me is via (phone/email). Every effort will be made to respond to you in a clear and timely manner. Voicemails and texts sent to 970-306-6507 or 720-985-6084 will be returned within 48 hours, excluding Saturdays, Sundays, and holidays. Emails sent to Meredith.Bizer@gmail.com will be returned within 48 hours, excluding Saturdays, Sundays, and holidays. It is my policy to return all phone calls, texts, and emails during my normal business hours (referenced above). I also reserve the right, in my sole discretion, to return communication outside of these hours; but any communication which I initiate outside of these normal business hours is in no way a guarantee or a promise of availability outside of my normal business hours.

#### AS A CLIENT:

You as a Client agree and understand the following:

1. I understand that Meredith may contact me to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to me and will be using technology previously discussed in this document and that Meredith will take every effort to protect confidential information but she cannot guarantee this.

2. I understand that there may be times when my therapist may need to consult with a colleague or another professional, such as an attorney or supervisor, about issues raised by me in therapy. My confidentiality is still protected during consultation by my therapist and the professional consulted. Only the minimum amount of information necessary to consult will be disclosed. Signing this disclosure statement gives my therapist permission to consult as needed to provide professional services to me as a client. I understand that I will need to sign a separate

Authorization for Release of Information for any discussion or disclosure of my protected health information to another professional besides an attorney retained by my therapist.

3. I understand that telephone calls are returned as promptly as possible (generally within 48 hours) during standard business hours (9:00 AM - 5:00 PM) Monday through Friday. On weekends, if I call on Friday after noon my therapist will respond to my call on Monday. Any time my therapist is unavailable due to vacations or times away her message will give me the name and phone number of a backup colleague who may help me in case of an emergency. I understand that I am responsible to pay the fee charged by these professionals should I require their services.

4. I understand that when my therapist is concerned about a client's safety, it is Meredith's policy to request a Welfare Check through local law enforcement. In doing so, she may disclose to law enforcement officers information regarding her concerns. By signing below, I consent to this practice, if it should become necessary.

5. I understand that, in general, Meredith does not provide Teletherapy, such as therapy over telephone or video chat. I understand that communications via email and text should be limited to administrative purposes and not used as an avenue for therapy. I understand that should I want Teletherapy, I will discuss my request with my therapist. I understand that it is in my therapist's sole discretion whether to accommodate my request for Teletherapy. \*During COVID, Meredith is exclusively seeing clients via telehealth and clients should review and complete the Telehealth Consent form prior to working with Meredith

6. I agree not to record our sessions without my therapist's written consent; and my therapist agree not to record a session or a conversation with me without my written consent.

7. I understand that my therapist, does not accept personal Facebook, LinkedIn, Twitter, Instagram, and/or other friend/connection/follow requests via any Social Media. Any such request will be denied in order to maintain professional boundaries. I understand that Meredith has, or may have, a business social media account page. I understand that there is no requirement that I "like" or "follow" this page. I understand that should I "like" or choose to "follow" Meredith's business social media page that others will see my name associated with "liking" or "following" that page. I understand that this applies to any comments that I post on Meredith's page/wall as well. I understand that any comments I post regarding therapeutic work between my therapist and I will be deleted as soon as possible. I agree that I will refrain from discussing, commenting, and/or asking therapeutic questions via any social media platform. I agree that if I have a therapeutic comment and/or question that I will contact my therapist through the mode I consented to and not through social media.

8. I understand that if I have any questions regarding social media, review websites, or search engines in connection to my therapeutic relationship, I will immediately contact my therapist and address those questions.

9. I understand that in order to protect my confidentiality, if Meredith sees me in a public setting, she will not acknowledge that she knows me unless I initiate contact with her first. This allows me to control whether or not I choose to speak with Meredith in a public setting and to protect my confidential relationship with Meredith.

10. I understand my therapist provides non-emergency therapeutic services by scheduled appointment only. If, for any reason, I am unable to contact my therapist by telephone number she provided me, 960-306-6507, and I am having a true emergency, I will call 911, check myself into the nearest hospital emergency room, or call Colorado's Crisis Hotline (844) 493-8255. Meredith does not provide after-hours service without an appointment. If I must seek after-hours treatment from any counseling agency or center, I understand that I will be solely responsible for any fees due. I understand that if I leave a voicemail for my therapist on the phone number provided, my therapist will return my call by the end of the next business day, excluding holidays and weekends.

11. If my therapist believes my therapeutic issues are above her level of competence, or outside of her scope of practice, she is legally required to refer, terminate, or consult.

12. I understand that I am legally responsible for payment for my therapy services. If for any reason, my insurance company, HMO, third-party payer, etc. does not compensate my therapist, I understand that I remain solely responsible for payment. I also understand that signing this form gives permission to my therapist to communicate with my insurance company, HMO, third-party payer, collections agency or anyone connected to my therapy funding source regarding payment. I understand that my insurance company may request information from my therapist about the therapy services I received which may include but is not limited to: a diagnosis or service code, description of services or symptoms, treatment plans/summary, and in some cases my therapist's entire client file. I understand that once my insurance company receives the information I or my therapist has no control of the security measures the insurance company takes or whether the insurance company shares the required information. I understand that I may request from my therapist a copy of any report Meredith submits to my insurance company on my behalf. Failure to pay may be a cause for termination of therapy services.

13. I understand that this form is compliant with HIPAA regulations and no medical or therapeutic information or other information related to my privacy, will be released without permission unless mandated by Colorado law as described in this form and the Notice of Privacy Policies and Practices. By signing this form, I agree and acknowledge I have received a copy of the Notice or declined a copy at this time. I understand that I may request a copy of the Notice at any time.

14. I understand that if I have any questions about my therapist's methods, techniques, or duration of therapy, fee structure, or would like additional information, I may ask at any time during the therapy process. By signing this disclosure statement I also give permission for the inclusion of my partners, spouses, significant others, parents, legal guardians, or other family members in therapy when deemed necessary by myself or

my therapist. I agree that these parties will have to sign a separate Consent for Third-Party Participation Agreement or may have to sign a separate disclosure statement in order to participate in therapy.

15. I understand that should I choose to discontinue therapy for more than sixty (60) days by not communicating with Meredith, my treatment will be considered “terminated.” I may be able to resume therapy after the sixty (60) day period by discussing my decision to resume therapy services with Meredith. Ability to resume therapy after sixty (60) days will depend upon her availability and will be within her sole discretion. This disclosure statement will remain in effect should I resume therapy if one (1) year has not elapsed since my last session. However, I may be asked to provide additional information to update my client record. I understand “discontinuing therapy” means that I have not had a session with Meredith for at least sixty (60) days, unless otherwise agreed to in writing.

16. There is no guarantee that psychotherapy will yield positive or intended results. Although every effort will be made to provide a positive and healing experience, every therapeutic experience is unique and varies from person to person. Results achieved in a therapeutic relationship with one person are not a guarantee of similar results with all clients.

17. Because of the nature of therapy, I understand that my therapeutic relationship has to be different from most other relationships. In order to protect the integrity of the counseling process the therapeutic relationship must remain solely that of therapist and client. This means that my therapist cannot be my friend, cannot have any type of business relationship with me other than the counseling relationship (i.e. cannot hire me, lend to or borrow from me; or trade or barter for services in exchange for counseling); cannot have any kind of romantic or sexual relationship with a former or current client, or any other people close to a client, and cannot hold the role of counselor to her/his relatives, friends, the relatives of friends, people s/he knows socially, or business contacts.

18. I understand that should I cancel within 24 hours of my appointment or fail to show up for my scheduled appointment without notice (“no-show”), excluding emergency situations, my therapist will charge my credit card on file, or my account, for the full amount of my session. I also understand that if I am running late for a session and I do not contact Meredith to agree upon a late start time, she will consider the session a missed session after 10 minutes after the scheduled start time. I also understand that if we agree to a shorter session due to my tardiness, I will be charged for the full scheduled session time.

19. I also affirm, by signing this form, I am at least fifteen (15) years old and consent to treatment and therapy services here at Meredith Bizer Counseling LLC. In the event that I am the legal guardian and/or custodial parent with the legal right to consent to treatment for any minor child/ren who is under the age of fifteen (15) and for whom I am requesting therapy services here at Meredith Bizer Counseling, LLC I understand it is Meredith’s policy to seek the consent of both parents/legal guardians. Further, in the

event of a custody or divorce dispute, I and the therapist must obtain the consent from the other parent/legal guardian for my minor child/ren's treatment in accordance with DORA policy.

If I am the non-custodial parent signing this consent form for my minor child/ren's treatment in accordance with DORA's policy, I understand that my access to my child/ren's treatment and client record may be limited by court order.

In the event that I am over the age of twelve (12) but under the age of fifteen (15) years old, I affirm that I am consenting to treatment and psychotherapeutic services here at Meredith Bizer Counseling, LLC, and that I have been advised by Meredith Bizer, LPCC of the importance of involving my parents and/or legal guardians, and that I have willingly signed the Voluntary Consent for Psychotherapeutic Services form.

20. I understand that if I am consenting to treatment and therapy services for my minor child/ren that my therapist will request that I produce, in advance of commencing services with Meredith, the Court Order Custody Agreement and/or Parenting Plan that grants me the authority to consent to mental health services for my minor child and make therapeutic decisions on behalf of my minor child/ren. I also understand that it is Meredith's policy to request and seek consent from both my minor child/ren's parents, but that such consent does not supersede the Court Order Custody Agreement and/or Parenting Plan. By signing this form, I understand and consent to Meredith's "No Secrets" in Custody Circumstances Policy as outlined above. Further, I understand and agree to keep my therapist informed of any proceedings or supplemental court orders that affect my parenting rights, custody arrangements, and decision-making authority. I understand that failing to provide the Court Order Custody Agreement and/or Parenting Plan will prohibit my therapist from providing therapy to my minor child/ren. I understand that it is beyond the scope of my therapist's practice to provide custody recommendations. Any request for custody recommendations will be denied. A Court is able to appoint professionals with the expertise to make such recommendations.

21. By signing this form, I affirm that I am fully informed of the therapy services I am requesting and that Meredith is providing, and grant my consent to receive such therapy services.

My signature below affirms that the preceding information has been provided to me in writing by my primary therapist, or if I am unable to read or have no written language, an oral explanation accompanied the written copy. I understand my rights as a client/patient and should I have any questions, I will ask my therapist.
